

Where is my data?

If you are logging data, then you return to see that the data is missing; I assure you the data is still in AEMIS.

In order to ensure that the data you have entered is visible the next time you login, follow the steps listed below.

Using IE

Click on the gear in the upper right corner, a menu will open

Click on internet options, a dialog box will open

While on the general tab, click on settings in the browsing history section, another dialog box will open

Select "Every time I visit the webpage" and click OK

Close all of the dialog boxes

Using Chrome

Click on the three dots in the upper right corner, click on settings

A new screen will open

At the bottom of the new screen, click on "show advanced settings..."

Scroll down and click on "proxy settings" - a dialog box will open

Click on the General tab

Click "settings" - opening another dialog box

Select "Every time I visit the webpage"

Click OK twice - closing both dialog boxes

Once you have completed the steps above, logout of AEMIS and log in again ...
